**Walk reserves the right to terminate membership.**

**This page must be completed and signed if you plan to bring any eligible children with you to the park.**

**\*Children under 18 years of age must be accompanied by and in sight of an adult AT ALL TIMES.**

For safety reasons, children must be at least 4 feet tall and supervised by an adult to use the dog park.

**Children must behave in a responsible manner: no running, chasing dogs, or petting dogs without the owner's permission.** This park is a designated "Dog Park". It is not intended as a children's playground. Dogs in the park can and will often assume "natural canine behavior" (run wildly while at play, etc.), which may not be a safe environment for small children. For this reason, Julington Creek Animal Walk asks that you don't bring small children into the park. You bring children at your own risk.
